Fall Suits

The longer we are in the clothing buiness, the more we are impressed with the fact that the best suits sell first. The most artistic patterns, the richest colorings, the best fabrics, are invariably selected by early buyers. Early buyers also get the advantage of the styles while newest, as well as a full season's wear out of their suits. For these reasons, we ask you to come as early as convenient and let us show you the new Fall and Winter Styles in
